Amendment 2 to Contract NOas 58-812

Returned herewith duly executed are two copies of subject Amendment.

Appropriate Purchase Orders have been issued to Fort Worth and a Purchase Order in the amount of \$6,800 has been issued to MIT. We are informed by the Fort Worth Division that this \$6,800 was not contemplated in their estimate and, consequently, is in excess of the \$37,383 cost covered by this Amendment. It is hereby requested that the estimated cost set forth in this Amendment be increased in an amount of \$6,800 in order to prevent a future overrun and to adequately cover the MIT purchase order.

I was away in the East all of last week, and we were unable to process the document in view of security restrictions. In this connection, I have processed a security request that my secretary, [Redacted] be cleared. Anything that you might do in expediting such action would be of considerable assistance in eliminating delays in return of documents, etc.
